

Melanie Winiger has a new acting representative for Europe

In future, Melanie Winiger will be represented by the Berlin-based acting agency agenturdorandt with regard to her acting work in Europe. The renowned agency, which was founded in Berlin in 2007, now has in its portfolio one of the most well-known and successful personalities in the Swiss media.

Since her film debut in the Swiss film "Achtung, fertig, Charlie!" in 2003, Melanie Winiger has appeared in more than 10 other Swiss and international cinema and TV films. One of many recognitions of her acting skills came in 2010, when she was nominated in the "Best Actress" category at the "Quartz" Swiss Film Awards.

Christiane Dorandt completed two years training in the USA to become an actress. She then worked at the Barbarella PR agency, the Emrah Ertem casting agency (finalcast) and the Schwarz children's and youth agency. She went on to work as a casting agent at Mediabolo TV Casting GmbH / Josef Surholt (BVC) before ultimately realising her vision by founding agenturdorandt, an interface between talent and production.

Melanie Winiger: "Since my training at the Lee Strasberg Institute in Los Angeles, I have wanted to build upon and expand my activities in the acting world. In Christiane Dorandt I have found an agent who will look after all my international ambitions as an actress. For all other enquiries, such as bookings, sponsorship and press work, I will continue to rely on my personal management team through Lea Rindlisbacher from rindlisbacher.ch. In Christiane and Lea I now have two strong partners at my side, who will enable me to continue developing in my various professional spheres."

rindlisbacher.ch management GmbH, which is run by Lea and Jörg Rindlisbacher, has successfully represented Melanie Winiger for more than 10 years now. Lea Rindlisbacher: "The international interest in Melanie, especially from Germany, has increased continuously over the last two years, which is why we decided to look for a partner to help us with this. With a view to Melanie's future in Europe, Christiane is the perfect choice and we very much look forward to working with her."
